★ Grade 3 Reading Practice ★

Read the passage. Then answer the questions.

A Visit to the Science Museum

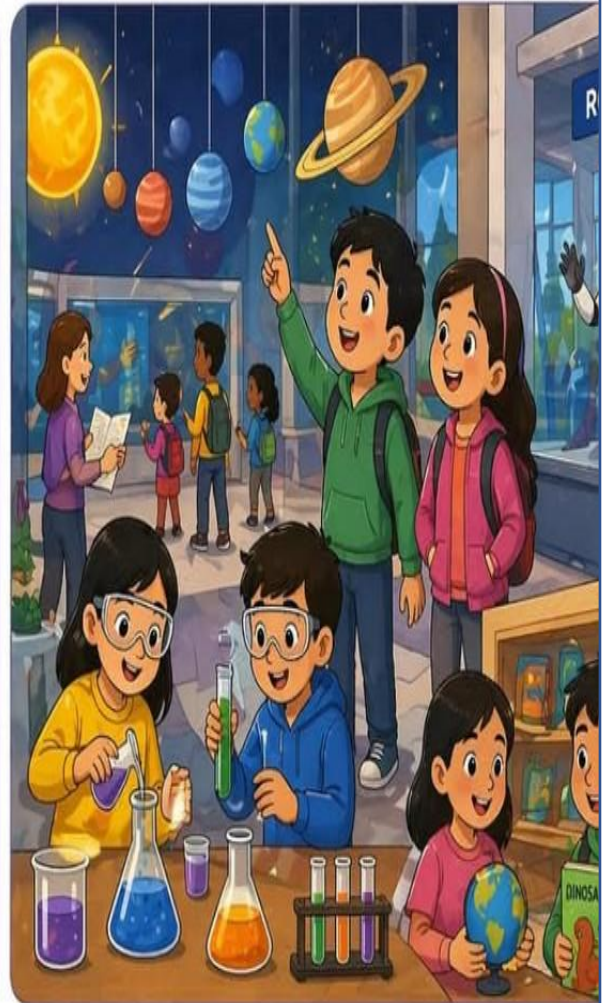

Last Saturday, Riya, Aarav, and their class went on a trip to the science museum. They were all very excited to learn new things.

When they arrived, their teacher gave them a map and told them to stay in groups. The first exhibit they saw was about the solar system. They learned about the planets, stars, and how the Earth moves around the Sun.

Next, they visited a room full of robots. Some robots could talk, walk, and even dance! Everyone was amazed.

After that, they did a fun experiment in the science lab. They mixed different liquids and saw bubbles and colorful reactions.

Before leaving, they stopped by the gift shop. Riya bought a small globe, and Aarav bought a book about dinosaurs. It was a day full of learning and fun!

1. Where did Riya and Aarav go last Saturday?

2. What did their teacher give them when they arrived?

3. What did they learn in the first exhibit?

4. What could the robots do?

5. What did they do in the science lab?
